# The Quarry Golf Club

Golf Packages or Just Golf – Book through Pine Lakes – 877-534-6789

Built on an old quarry dating to the 1800s, this predominantly wooded course consists of natural waste areas, 100 foot cliffs, streams, and deep water lakes.

The course is predominantly wooded with many tree-lined fairways. Features include bent grass tees, greens and fairways framed by rock and native grasses. Several tee shots are visually intimidating, but the landing areas are more generous than they appear.

A full practice facility with target greens, a putting green, and a chipping green enable golfers to warm up before their round and fine tune their skills. The clubhouse is strategically located on the tip of a huge quarry lake which offers dramatic views of the finishing holes.

- Ranked in the top 10 courses in Ohio by Golf.com

Men	Slope Rating	Course Rating	Yardage	Par
Gold	139	74	7015	72
Black	135	72.3	6671	72
