Stanley Thompson

Trumbull Country Club

Warren, Ohio

Trumbull Country Club, founded in 1915, is one of the oldest, most prestigious Clubs in the Mahoning Valley. It offers a traditional private Country Club experience, featuring one of the finest, most pristine and picturesque 18-hole golf courses in Northeast Ohio. The greens are true, fast and tricky!

From the men's Blue tees, par 70 TCC plays 6396 yards and also features three separate practice areas, a driving range, a putting green and a short game area with a sand trap.

TCC offers great lunch and dinner entrees served in their bar & grill, dining room or outside veranda with picturesque views of the golf course.

The course was designed by Stanley Thompson who also designed Avalon Squaw Creek and many more.

Men	Slope Rating	Course Rating	Yardage	Par
Blue	126	70.7	6396	70
White	124	69.8	6104	70
